Pearl Academy
ESTD 1993

In 1993, the first students at Pearl Academy sketched their dreams onto paper.

That creative spark, ignited in 1993, has grown into the vibrant force it is today—a dynamic institution spread across five campuses, where tomorrow's artists, designers, filmmakers and innovators are creating the future as it unfolds.

**We are:
Futuristic.
Disruptive.
Intellectual.**

Design education as a catalyst
for changing the world.

India's first METAVERSE CAMPUS

Immersive learning experiences and collaboration
in an entirely digital universe.

Women Empowerment Through Creativity

Our Second Chance initiative has equipped over
500 female inmates at Tihar Jail with fashion and
design vocational training to rebuild their lives.
We also offer programmes to empower women
re-entering the workforce after a break.

We Design Designers

Get a rare front-row view into the inner workings of your industry.

From acclaimed designers to visionary thinkers, learn from industry experts as they bring invaluable real-world knowledge to you.
